Let's Have a Safe Halloween Holiday in East Hampton!

Please help us make Halloween a safe holiday in our community.

Members of the public are encouraged to use extra caution on the roadways and to be aware of children trick-or-treating who may be wearing dark costumes or masks that could obstruct their vision while crossing roadways. Please yield to all pedestrians in crosswalks.

To ensure a safe and secure Halloween for all, the East Hampton Town Police Department is working closely with all of the town's school districts.

Traditional school Halloween parades will have strong police presence, and the EH Town PD will be working closely with the East Hampton Village Police Department to insure that evening trick-or-treating areas are closely monitored.

Families and residents can work together, as our East Hampton community so often does, to follow safety protocols and give our younger community members an opportunity to enjoy Halloween safely.
